

PRINT SERVICES

Legal Copy Services

Legal copying and scanning is our specialty. We back this claim by exceeding client expectations for turn-around time and quality. Our success is measured by your satisfaction.

Save important preparation time - get PrintLegal.ca to copy and finish your documents:

- Factums
- Trial Records
- Appeal Books
- Affidavits
- Employment Records
- Motion Records
- Transcripts
- Briefs
- Accounting Records
- Statements of Defense

Business support

- Print Consultation
- Mailing Services
- Document Scanning
- Print Management
- Print on demand
- Digital Storage
- Offset and Commercial Printing

Let us create a corporate identity package for you with an integrated system of business cards, letterhead and envelopes, using artwork that can range from black and white to impressive full colour.

Our design and consulting staff is fully prepared to work with you to create and produce professional promotional pieces or concise and functional business forms. Or, if you already have artwork, we can print or copy all your business needs on a variety of stock in a timely manner.
